

NEW MINING COMPANY STARTS OPERATIONS

OPTION TAKEN ON THIRTY ADAMS HILL MINES AND WORK STARTED.

Eureka Sentinel of July 1 says: Adams Hill, one of the principal sections of Eureka mining district, the mines of which for a number of years have only been developed in a small way, is again due to witness active development work commenced on a number of its mines.

For over a month William Sweet has been taking options on properties on Adams Hill, and already has secured in this way 30 mining claims, the work on which property was begun the fore part of the week. These 30 claims Mr. Sweet has turned over to George C. Mastin of Chicago, trustee for the Chicago-Eureka Mining company. Among the claims under option are some of the best in the district.

As soon as the matter of titles was settled, the trustee of the company, with Mr. Sweet as manager, commenced the work of putting up a gasoline hoist on the property, started timbering the shaft on the Rescue mine, which was selected as the place for commencing the development of the property, and now has seven men employed.

As soon as permissible by the repair of the shaft, sinking and drifting will be started and prosecuted more vigorously than required by the terms of the options held by the trustee, and as long as conditions will warrant.

The manager of the new venture did not care to disclose any further details of his associates at the present, and said that he preferred to let the future speak for itself.

The importance of renewed activity on Adams Hill will be appreciated by residents of Eureka, who remember the old days.

Several years ago active development work ceased on Ruby Hill, Prospect Mountain, near the Windfall, and it was thought by some that the mineral resources of the district were exhausted. Since then the Richmond-Eureka Mining company on Ruby Hill, the Windfall on the south, and the Farmers on Prospect Mountain, took up the work of developing these properties, and today have good ore producers.

From Adams Hill, the Bullwhacker, Oriental & Belmont, Altoona, Barton, Bowman, Fraser & Molino, Alabama, Lone Pine, Marguerite, Members, Macon City, the Morning Star and others, according to the records in the assessor's office, have been good ore producers and paid considerable bullion tax, and it has been and is now generally thought here that all that the Adams Hill district needed was a company financially strong enough to sink to great depth on some of the properties, when it is believed large bodies of good ore will be encountered.

Manager Sweet says the new mining company is not selling stock, but is composed of men who have agreed upon a plan of development under the advice of experts, and have subscribed for the full amount that is called for by their plans.

MAY NOT HAVE WEEKLY BAND CONCERTS NOW

MONEY WAS RAISED TO PAY BAND FOR SUNDAY EVENING NOT SATURDAY.

There is a probability that Tonopah will not have any more weekly band concerts as in the past, unless some action is taken. Last week Chief Smith raised the funds to pay the band on the strength that the concert would be given on Sunday evening instead of Saturday and the chief was of the impression that the band boys intended to play on that evening.

Chief Smith wishes to apologize to those whom he collected money from on the strength that the concert would be on Sunday evening. Mr. Smith says that he is through with the collection, as the merchants have been blaming him for last Saturday night's concert.

Many of those who contributed thought it very strange that the concert would be held in competition with a big benefit show for the Fourth.

COUPLE FACES JAIL FOR REMARRYING TOO QUICKLY

TACOMA OFFICERS SEEK TO BREAK UP AN OLD-TIME CUSTOM.

TACOMA, July 6.—Disobedience of the marriage laws and criminal contempt of court for marrying within six months after getting a divorce, are the complaints on which the state has started to prosecute Florence and James B. Calkins. They were arrested on a charge of contempt and held in \$500 bail.

Both Florence and James Calkins, who is a Northern Pacific conductor, were married to other persons until last year. Mrs. Calkins was formerly Mrs. Florence Phillips.

On October 14th she obtained a divorce from Edward Phillips on the ground of cruel treatment. Shortly before James B. Calkins was granted a divorce on allegations of incompatibility. In October they were married at Victoria.

Mr. and Mrs. Calkins were arrested while at dinner in their apartments on the authority of Deputy Prosecuting Attorney Burmeister, who declares evidence is being obtained to make numerous other arrests and break up the custom of quick remarrying at Victoria.

Mrs. Calkins collapsed yesterday and was removed to a private sanatorium in an almost unconscious condition.

Calkins is a son of the late Judge William H. Calkins, whom Gray defeated for governor of Indiana. His family is very prominent here, his sister, Mrs. Van Marker, being a sister-in-law of Leonora, Countess of Tankerville. Calkins lived at Oakland, during part of last year.

PROCEEDS FROM SALE OF PANAMA BONDS

WASHINGTON, July 6.—Proceeds from the sale of the new Panama 3 per cent bonds are beginning to come into the federal treasury, about \$18,000,000 of the \$25,000,000 to be realized having been paid. Bond dealers and financial houses, which took large blocks of the issue, are splitting them up and delivering them to small investors.
